Harrodsburg High School  
Harrodsburg, Kentucky

Nancy,

I don't know what to say. It has been a short year hasn't it? A lot of things have happened. Like YHA Convention (in which I had a lot of fun at because it brought both of us back together, to stay I hope, and I hope to attend next year) the Prom (I had a real good time there and I hope that my picture turned out O.K.) and at school and your house. I know that I haven't seen you that much or been myself here lately but after I am all ready in over I think that that will change. I would like to know that I have had a whole lot of fun when we have been together. Don't forget all of the things that we have done. You can forget me if you want to. I won't forget you and never have because I never stopped thinking about you.

Nancy Lou,

Well, our sophomore year is almost over. We have had so many times that neither one of us will be able to forget. I hope you never forget the time we double dated, (Christmas dance, after church and others) and choir and band trips. You have always been my very best friend whom I could confide in and always showed my hopes and problems. We always planned past, even at Moorhead. Remember you, Eddie, you, and me eating breakfast and walking around. It was really fun. But that is in the past for me. <sup>"On Hand to me"</sup> I have a lot to do on the one I hope to keep. I really couldn't be happier with anyone else. I really do like Donnie. We'll see what we can work out for you and Kentucky Yawmen.

I really hope you weren't afraid to ride with me when we went to Meigs County band concert. I wouldn't drive with anyone else. We

have Pi 1774-1974 Zeta invitation. We should really be easy on those girls because we didn't have it hard for you and I get the cars we

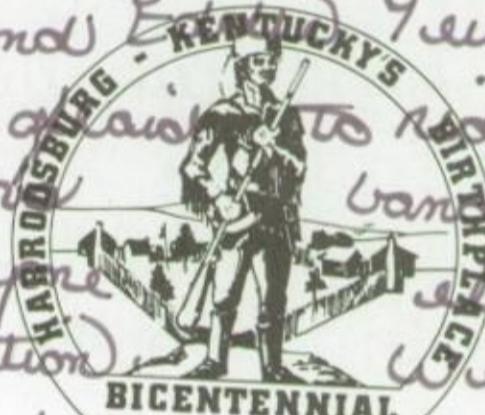

can make **The Present**, then make fools of themselves like we did. I hope we have more good times this summer on our tour and hopefully working together.

**The Past**, **The Future**, **Are Really One** — Maybe we'll even enjoy band camp this summer. You are really a true **They Are Today**. Christian friend. I

don't know what I would do without you. To go our little —Stowe disagreements. They are part of the past and we must strive for the future. It's always be the best of friends and try not to let anything interfere. Maybe we'll have more classes together next year. Until later, God Bless

your sister, Good Luck

Farewell! From this day forward our memories shall begin. These memories shall carry us back to our high school days when we were real "Pioneers"; they will bring back the visions of all our classmates. As we close the doors behind us, and walk into our futures, we hope your school days will be as successful as ours. We say "thank you" to everyone who has made our work easier and more pleasant. As the wagon wheels of time roll forward, we turn back again to say "Thanks and Farewell to all."

I am yesterday, you are today,

Your friend is your needs answered. He is your field which you sow with love and reap with thanksgiving. And he is your board and your fireside. For you come to him with your hunger, and you seek him for peace. When your friend speaks his mind you fear not the "nay" in your own mind, nor do you withhold the "ay." And when he is silent your heart ceases not to listen to his heart; For without words, in friendship, all thoughts, all desires, all expectations are born and shared, with joy that is unacclaimed. When you part from your friend, you grieve not; For that which you love most in him may be clearer in his absence, as the mountain to the climber is clearer from the plain. And let there be no purpose in friendship save the deepening of the spirit. For love that seeks aught but the disclosure of its own mystery is not love but a net cast forth; and only the unprofitable is caught. And let your best be for your friend. If he must know the ebb of your tide, let him know its floods also. For what is your friend that you should seek him with hours to kill? Seek him always with hours to live. For it is his to fill your need, but not your emptiness. And in the sweetness of friendship let there be laughter, and sharing of pleasures. For in the dew of little things the heart finds its morning and is refreshed.

## Pioneer Football

Front Row, left to right: Keith Walker (manager), Tommy Anness, Venus Meaux, Nicky Yeast, Van Allen, David Lawson, Steve Yeast, Jimmy Brown, Mike Sanders, Lester Patton, Randall Bartleson. Second Row: Wayne Taylor, Eddie Combs, Bobby Dean, Steve Key, William Griffin, Chip Combs, Robert Sims, Gary Johnson, Eddie Smith, George Yeast, Bentley Mays, Henry Parks. Back Row: Jack Robertson, Kevin Key, Ricky Jones, Steve Anderson, Danny Yates, Robbie Yeast, George Bartleson, Lee Wiley, Bo Yeast, George Wheeler, Jeff Cole, and Steve Handy.

The Harrodsburg Pioneer football team carried on their winning tradition again this year as they compiled a 9-2 win-loss record. The Pioneers started their season in fine style as they defeated Class-A power Ludlow for their second Recreation Bowl win in three years. The gridders continued their winning ways until mid-season when they suffered a heartbreaking homecoming defeat at the hands of arch-rival Anderson County. The following week held a second disappointing loss as the Pioneers fell to Paris, another Class-A power. But the team regained its composure and went on to defeat Mercer Co. and Boyle Co. in the season's closing games.

William "Bo" Yeast, who was named the team's most valuable player at its annual banquet, rushed for a total of 2,068 yards and led the state in scoring with 191 points. Bo was named to several all-state teams, received the K-Men's Trophy as the state's best back, and was named to the Coach's and Newspaper's All-American High School Team, being the first player in HHS history to receive this honor. Also given all-state honorable mention were Jack Robertson, Robbie Yeast, and Gary Johnson, while Bo Yeast, Jack Robertson, Robbie Yeast, George Wheeler, and Jeff Cole received all CKC honorable mention.

In the course of the season the mighty Pioneers gained a total of 3,930 offensive yards, with an average of 357 yards per game. They scored 340 points, averaging 31 points per game, while the defense held the opposition to a mere 12 point average. Although HHS had only one district loss they were once again defeated by the Dickinson System and were unable to move on to play-off competition.

The pioneers closed their winning season with much pride and look forward to many more outstanding years of football, since the team lost only seven seniors. We congratulate these seniors on the dedication and determination that they have shown during their years at HHS. And we wish for those returning players many more seasons as bountiful in sportsmanship and pride as the 1973 season was.

pray for you,  
And when another  
day is through  
I'll still be friends  
with you

Nancy!  
To every nice

remember those times  
we spent together  
at the church

She's a good old

This Harroddian '74 marks

Reserved Nanny,

Well here I am again signing your annual. A lot has happened since I last signed it, some of good, some of it bad. Well the school year is almost over, and a new summer is coming on.

My feelings for you have not changed at all. I love you as much as I ever did. Maybe sometime after school is out, we can go out again if you want to.

I guess I'm in trouble to stay. I've got to prove something to myself & everyone else that I am somebody and that I can do something. I know I have been disappointed you & I this year, deceiving you, not telling you things not telling you where I've been, for all that all I can say is that I'm sorry. I didn't mean to hurt you like I did. Thank you very much for still talking to me, because I think I would go crazy if you didn't. Like you said, being free isn't as fun as I thought it might be. I couldn't get another job as nice and pretty and understanding as you if I looked for the rest of my life. You have the only thing that has meant anything to me. Even if we're not going steady we can still talk to each other & get out. I don't know if there is a chance that we could still make it. I think we could but I won't ask you to do that, I have no right to. Good luck in school with your finals and also with the guys.

Every year a get a little older, and a little more mistakes. You were the only good thing I had. You were one of the only people I could trust. I don't know where my future lies, I don't know where my past has been, I only know what I hope could be, but never will. Don't forget all the late telephone calls and all the rides home from church & don't forget riding to school with me. Remember me, no matter what you do or where you go. Peace and love, always. I love you always

M.W.H (Mr. Ted)

Dear Nancy,  
Don't ever, ever  
forget what hell-  
raisers we were-

Remember the dances  
of H.H.S. and all the  
little chats and English  
spats. Remember Algebra II, (lips!)  
Ikt) Spanish II, Sharp-P.C.L! and  
W. History (Mr. Sharp D.H. was  
all in all)  
Lunch. All in  
~~hell!~~ Love,  
jennie

Nancy,  
Hi hon! Don't forget  
all the things that  
happened this year.  
All of our classes  
together (we had all 5),  
Especially Mr. Sharpe's

our nice, sweet pigs &  
you, me, & Snugie makes 3.  
You're a really great girl  
and a really great friend  
& hope we're as close  
next year as we are this.  
Be good & take care.

Love ya,  
Julie

Nancy,  
To a great band pal and  
one of the nicest girls in the  
soft class. Remember this

years. Pray life be good to you.  
Yours always,  
Ricky

Dear Nancy now,  
To a really great kid, remember
